## LATE ABSTRACTS SUBMISSION

the deadline for the regular abstract submission has expired and we are delighted to announce that more than 4000 abstracts were received. As we are receiving requests for additional contributions, we are happy to inform you that two other options to submit your abstract to the meeting will be soon available:

- from March 15th to June 30th, we will collect LATE ABSTRACTS. These abstracts will enter
  in the official program of the meeting, but will be considered only for poster presentation as
  the selection for oral presentation has already started
- from June 1st to June30th, we will also offer the possibility to submit LATE BREAKING ABSTRACTS, intended as late coming contributions of outstanding scientific value. Twelve LATE BREAKING ABSTRACTS (6 covering basic research and 6 covering translational research) will be selected for oral presentations to be delivered on August 27th, in an ad hoc Session. The other ones will be presented as posters in the appropriate poster session.

Results of Travel Grant applications will be notified within the end of March, before the early registration fee deadline expires.
