INVITED SPEAKERS

Plenary Lecture

Tomohiro Kurosaki  
M.D., Ph.D / Professor  
Osaka University  
"Function of memory B cells and their generation mechanism"

Chen Dong  
Ph.D / Professor  
Tsinghua University  
"IL-17 family cytokines in mucosal immunity and diseases"

Carola G. Vinuesa  
Ph.D / Professor  
Australian National University  
TBA

Special Symposium 1 - Immunology of COVID-19

Stanley Perlman  
M.D., Ph.D / Professor  
University of Iowa  
"Systems biological analysis of immunity to COVID-19 infection and vaccination"

Jincun Zhao  
Ph.D / Professor  
Guangzhou Medical U  
"T cell Responses in Respiratory Coronavirus Infected Mice and Humans"

Special Symposium 2 - Spatial Multi-omics in Immunology

Joakim Lunderberg  
Ph.D / Professor  
The Royal Institute of Technology  
"Exploring the tissue landscape by spatially-resolved transcriptomics"

Christian M. Schuerch  
M.D., Ph.D / Professor  
University Hospital Tubingen  
"Single-cell tumor architecture predicts cancer immunotherapy response"

Bernd Bodenmiller  
Ph.D / Professor  
University of Zurich  
"Highly multiplexed imaging of tissues with subcellular resolution by imaging mass cytometry"

Exit No. 5, BEXCO Station; approx. 450m to Exhibition Center 2 next to Busan Art Museum
FIMSA 2021 PROGRAM at a glance

Dear Asia-Oceania Immunology Community,

Welcome to the FIMSA 2021!

On behalf of the organizing committee, I welcome your participation to the 8th FIMSA Congress (FIMSA 2021) which will be held between the periods of Oct. 31-Nov. 3 in Busan, Korea.

This is the first FIMSA meeting held in KOREA and I strongly encourage you to visit Korea to experience the warmth of friendship and richness of Korean culture, in addition to scientific communication with FIMSA members.

Although the current stage of COVID-19 pandemic may hinder visiting Korea from abroad, I hope that by the end of Oct. 2021, this pandemic could be overcome by the efforts of our scientific fraternity. FIMSA 2021 will be held in an on/off-line hybrid format and the international registrants who cannot visit Korea physically will be able to participate through virtual presentations.

Our Scientific Program Committee, chaired by Eui-Cheol Shin, comprises a mix of immunologists from across all the members of FIMSA and put together an exciting inspiring scientific agenda. We have prepared special symposium on “COVID-19 Immunology” and “Omics in Immunology”. Distinct scholars will give talks as plenary speakers or invited speakers in one of the excellent 12 block symposia. Also, young scientists will have a chance to give talks along with the distinct scholars.

With a warm heart of gratitude, we have prepared this 8th FIMSA meeting as a festival for FIMSA members and hope to enjoy extraordinary science and heartfelt companionship through this event.

We are looking forward to hosting you at this exciting hybrid FIMSA 2021 meeting.

Sincerely Yours,

Sin-Hyog Im
Organizing Committee of FIMSA 2021

INVITATION

Date : Oct 31st (Sun) - Nov 3rd (Wed), 2021
Venue : BEXCO, Busan, KOREA
